

Berkshire Grown Farmer Mentorship Program Mentee Application

Name:

Email:

Phone:

Address:

Alternate contact information:

Best way to get in touch:

We will use the information you provide here to pair you with an appropriate mentor from our network.

1. Describe, in as much detail as possible, the type of knowledge you are seeking from a mentor.
2. Describe your farming experience to date, including:
 - a. Total years farming
 - b. Years farming your current operation
 - c. A description of your current operation
 - d. Amount of experience you have in the area of mentorship that you seek
3. Describe your future farming plans, including how a mentor will help your business develop.
4. Describe key educational influences that have been valuable to your farming career, such as: individuals who have mentored you; areas of study or training; degrees; experiential education; publications you read; books, conferences and workshops that have been useful, etc

Please e-mail your completed application to buylocal@berkshiregrown.org
