# Winter Farmers Market

## Shopper Guidelines

### Before You Visit:

- **Bring your mask and wear it at all times.** No one will be allowed inside the market without a face mask or face covering.
- **Stay Home if You Are Sick** or if a member of your family is sick. Shoppers displaying COVID-19 symptoms will not be allowed to enter the market. Ask a friend or neighbor to shop for you.
- **Households** should have **no more than one or two people** per shopping group.

There the number of customers allowed into the market will be limited. You may need to wait before entering the market, please dress accordingly and plan to shop quickly.

- **Make a Shopping List** so you can shop quickly.
- **Pre-Order** with your favorite vendors if available.
- **Schedule Your Visit.** The number of visitors allowed inside the market will be limited. Scheduling your visit in advance will allow you to enter the market more quickly.

### On Market Day:

- **Be Prepared to Wait.** Even if you pre-ordered or scheduled your visit you may need to wait if the market is busy. This is why it is important to shop quickly.
- **Maintain 6 Feet of Distance** from shopper and vendors.
- There will be **One Entrance** and **One Exit**; please travel **One Way** through the market.
- **Hand Sanitizer available** at the entrance and exit of the market.
- **No eating, drinking, or pets permitted.**
- **Be courteous to your vendors and aware of other shoppers.** We are all doing our best to keep each other safe.
- **Thank Your Farmers and Food Vendors!**

**Thank You** for supporting your local farmers and food producers!
