

IT'S EASY

If your market offers Market Match tokens, you will get even more benefits. That means more fresh food for you and your family!

PLEASE NOTE

- HIP is extra money for fruits and vegetables, on top of your regular SNAP benefits (*Massachusetts only*).
- Please check individual farmers market Facebook pages and websites for updates on each market's details.
- Market Match tokens specific to one market cannot be used at other markets.

Market Match boosts your buying power at Berkshire farmers markets. Get more value with your EBT card, eat more fresh food, and support your local farmers!
